

Your PTA needs YOU !

Last year the PTA held multiple events throughout the year for the children and parents raising **£7894.95** and spent **£8083.54** on a variety of things to support and enhance Antrobus St Marks school.

We hope everyone agrees having a PTA is an important part of our school due to both experiences and resources provided which would not happen without it. We rely on parent volunteers and are always looking for new members with new ideas and enthusiasm. In the next couple of years a significant number of the current PTA parent's children will be leaving the school meaning without new volunteers from lower down the school the PTA will not be able to continue. The reason for sending this message now is to allow for a transition period over the next couple of years.

Being a member of the PTA is a very rewarding role allowing you to be more involved with your child's journey through our wonderful primary school. We are aware that people have the pressure of work and other commitments on their time, as do the current members of the PTA, but by working as a team it is possible and worthwhile for the benefits to your child.

Please consider if joining the PTA is something you would like to do and if you have any questions either email friendsofantrobus@gmail.com or contact Lorna on 07867848058. We will be having an AGM in the Autumn term at the Antrobus Arms that everyone is invited to attend to learn more about what we do and why Your PTA needs YOU !
