

Our historic schools are nestled in the Cheshire countryside, founded upon the principles of the Church of England, to serve the community, with Christian values at the heart of all we do. We offer pupils a caring, nurturing environment, where we endeavour to inspire and develop each unique child to reach their full potential, encouraging faith, hope and love of God. Our diverse and creative curriculum ensures a love of the world around us, a love of learning and a love of one another

'Love one another, as I have loved you' John 13:34

ASTHMA POLICY

Signed by

Chair of Governors/Committee

Rhian Perry, Executive Head

Review Date Nov 2024

3 yearly review

Our school will:

- Welcome all pupils with asthma
- Encourage and help children with asthma to participate fully in all aspects of school life
- Recognise that asthma is an important condition affecting many school children
- Ensure all staff know that immediate access to inhalers is vital
- Do all it can to make sure that the school environment is favourable to children with asthma
- Ensure that other children understand asthma so that they can support their friends and understand how this condition may impact on their day to day life.
- Work in partnership with parents, school governors, health professionals, school staff and children to ensure the successful implementation of the school asthma policy.
- Ensure all asthma medication & individual asthma plans are stored safely & securely, whilst being readily accessible to staff when required.
- Will note the expiry dates of all inhalers & provide parents with ample time to arrange replacements.
- Keep an emergency inhaler at both school sites & ensure that they are up to date.
